

SCHOOL SONG

SERVIAM

Sing we a song of service
Honour and truth and praise
Ours is a loyal watchword
Ours will be royal ways.
Bright as the badge we carry
Gemmed with the guiding stars
And 'neath the Cross' banner
The claim to service ours.
Eyes on the stars that beckon
Trav'ling the roads that climb
We'll only stoop to offer
A helping hand in time.
So those who on life's journey
The path with us have trod
Can say we kept our watchword

Our SERVIAM for God.
