

VISION STATEMENT

Brescia House School

believes in

Creating a Christian atmosphere, in which principles of truth, love, justice and reverence become the criteria in life's decisions.

Working to achieve academic excellence and the development of the whole woman in all facets of her potential.

High standards of behaviour and discipline and in the importance of the individual and in her creative self-expression.

The dignity of all persons and in respecting the rights of others.

An open environment where all persons of our richly diverse society may grow in mutual understanding and acceptance
