Admissions Policy

2024

Dear Prospective Parent

Thank you for your valued enquiry regarding a place for your daughter/s at Brescia House School. Enclosed please find details regarding the application procedure as well as the application form and the fee structure for 2024.

The application procedure is as follows:

- Parents must complete the application form.
- A non-refundable application fee of R500 is due when the application form is completed.  
This can be paid in cash, by cheque, electronic transfer or deposited into the Brescia House School bank account:  
Account Holder : Brescia House School  
Bank : Standard Bank  
Branch : 006605 Hyde Park  
Account Number : 610175742  
Swift Code : SBZAJJ  
Reference : Your daughter's surname, initial, grade and year of entry  
Proof of payment : e-mail: [admissions@brescia.co.za](mailto:admissions@brescia.co.za)
- Once all the above has been completed, the applicant will be captured onto the data base.
- Before the learner can be offered a place in the Primary School, an assessment may be necessary to determine school readiness and individual grade readiness.
- Prospective pupils for entry into the Secondary School are required to write an entrance examination. English and Mathematics papers will be written and an adequate proficiency in these subjects will determine entrance into the school.

The following copies of documents are required when the application form is submitted:

- Birth certificate
- Baptism certificate (only if Catholic)
- Immunisation card (for Primary School applicants)
- Latest school report
- Transfer card (upon acceptance)
- South African ID/Driver's Licence or International Passport of both parents/guardians

Any learner who enters the country on a study permit must present the study permit to the school on application.

If your daughter is not a South African citizen, then additional documentation is required as per Department of Education regulations. Non-South African citizens must supply evidence that they have applied to the Department of Home Affairs to legalise their stay in the country. If they cannot do so, the School will advise them to acquire the necessary documentation. The learner will be temporarily admitted to the school.

Please complete the application form in its entirety and submit all relevant documents including payment/proof of payment at the same time in order to facilitate the processing of the registration for enrolment.

You will be notified in writing if Brescia House School can offer your daughter a place. On acceptance of a place offered, an Acceptance Fee is due. This amount is equivalent to approximately one term's fees, is non-refundable, does not constitute a fee payment and is directed towards improvements, renovations and upgrades in the school. A building levy is not charged per term.

If you have any other queries please do not hesitate to email [admissions@brescia.co.za](mailto:admissions@brescia.co.za) - alternatively the school website: [www.brescia.co.za](http://www.brescia.co.za) can be referred to for additional information as needed.

## ADMISSIONS POLICY

1. Brescia House School is an independent Catholic school, which serves the Catholic community but welcomes children of any denomination.
2. Admission to the school is *weighted* by whether the prospective learner
  - is a Catholic
  - has a sibling in the school
  - is the daughter of a past pupil
  - the date of application

The school's data programme automatically weights applications according to these criteria.

3. The school accepts no more than:
  - 24 learners into each grade R class (total 72 learners)
  - 26 learners in all other classes (total of 78 learners per grade)

In emergencies or to accommodate the sibling of another learner, a 27<sup>th</sup> learner may be accepted into a class.

4. The statistical age norm per grade is the grade number plus 6, e.g.

Grade 6	12
Grade 7	13
Grade 8	14

Grade 10	16
Grade 11	17
Grade 12	18

A learner will generally be accepted into grade R in the year, in which she turns 6.

5. Admissions policies, regulations and provisions are determined by the Board of Governors in conjunction with the Head of the primary and secondary schools.
6. General enquiries, school visits, tours and admissions are handled by the school's Admissions and Marketing Department. The respective Head will then be consulted for placement.
7. Successful applicants for places in grade R and grade 8 are contacted by email prior to the starting date. Offers made must be accepted in writing. A non-refundable Acceptance Fee, as per the sliding scale, is payable on the written acceptance of the offer, or date stipulated in the letter of offer. This development fee does not constitute a tuition fee and is directed towards improvements, renovations and upgrades.

8. Other applicants will be notified in writing that they remain on the waiting list and will be contacted via email when a place becomes available.
9. The application procedure is as follows:
  - Parents will be provided with an application form to complete.
  - A fee of R500 is charged when the application form is returned or submitted. The application fee is not refundable if the learner should not attend the school.
  - Each applicant will be added to the data base and the weighting will apply.
10. The following documents are required on application:
  - Birth certificate (a baptismal certificate is not valid)
  - Baptismal certificate (only if Catholic)

If they cannot do so, the School will advise them to acquire the necessary documentation. The learner will be temporarily admitted to the school (see number 11 and 12 below).
11. The following regulations apply to foreign learners in South Africa:
  - All foreign learners enrolled in a school must be in possession of a study permit for the specific school at which they are enrolled.
  - Prospective foreign learners must submit an application to the authorities according to the regulations and await the outcome of this application (get passport endorsed with study permit) before the learner will be allowed to be enrolled and attend classes.
  - The study permit is issued for the learner to attend a specific school for a specific period. The school is required to ensure that the learner's permit is valid during the entire time the learner attends the school.
  - The school is required to notify the authorities of the departure of any foreign student from the school.

A letter from the school confirming the following must accompany the application:

- Confirmation that the learner has applied to be enrolled at the school and an indication of the grade, in which she will be placed.
  - Assurance that the foreign learner is not depriving a local learner of a place.
  - Proof that the school fees have been paid or an arrangement for the payment of fees has been made.
