

General Instructions:

Blanket sizes:

- **Knit-a-Square children's blankets 100x140cm. They ask for 20cm squares so it's 7x5 squares (35)**
- **Baby box blankets 90x120cm. They ask for 15cm squares so it's 6x8(48)**

If you are sewing up 20cm square then you can't do 90x120cm so it'll be 80x120cm (4x6)

We do strive for double knit wool and 4mm needles or hooks
