Round 3: 2 SC in first stitch, SC in next, join, (24 SC)  
fasten off leaving long tail to sew onto one side of pillow cover.

Surface slip stitch smile and eyes/eyelashes onto same side of pillow cover pieces as your cheeks.

Place the two pillow cover pieces together and SC the edges together. Insert pillow form or poly-fill before closing up.  
Note: I did need to take some of the stuffing out of the 14 inch pillow form so it would fit better.

Make 9 large and 9 extra-large pompoms. You can make less, just be sure to distribute them evenly around pillow before sewing on.

Tie pompoms tightly along edge of your pillow.
